ABOUT ME

I was born and bred with the desire to become a Crisis Response Dog. I love meeting people anywhere I go including hospitals, schools and events. I go to school every day with my owner who is a teacher therefore I am around children ages 5-18 most days. I have been deployed to Hurricane Ian twice in partnership with The Salvation Army. We provide warm hugs, a listening ear and the ministry of presence to those who are hurting. I am in excellent health and enjoy my annual veterinary visits to keep current on all vaccinations in addition to consistent obedience, socialization, and desensitization training so I can be of more assistance to those in need.

WHAT I DO

Through my experience and training I have earned the following:

- Crisis Response Canines, Certified and Insured Crisis Response Dog
<https://www.crisiscanines.org/>
- AKC (American Kennel Club) Therapy Dog Certification
- AKC (American Kennel Club) Canine Good Citizen and Urban Citizen Certifications
- Calvary Christian Academy Resident Therapy Dog
- Vitas Hospice Paw Pal

ABOUT THE OWNER

Tina Reeder is my handler. She is a State of Florida Certified Teacher, a Colson Fellow and a Licensed Chaplain with the Evangelical Church Alliance.
