

Impact Report

On the Road with Dunkin

This month, we were blessed to visit another Orlando Health hospital in Central Alabama—Brookwood! The staff and patients loved Dunkin's fluffy, energetic personality, and he brought smiles, joy, and laughter to those who were having a "ruff" day.

But, as is often the case, we find ourselves sharing the love of Jesus outside our intended mission. While camping at a nearby campground, two young girls approached us. One of them said, "That dog reminds me of the one that visited me at the children's hospital." Of course, I had to ask about her experience, and she shared that she had recently faced a serious medical situation.

We spent some wonderful time together, sharing stories and making s'mores while Dunkin did what he does best—sharing love, comfort, and a little bit of golden joy!

Before they headed home the next day, both girls received their very own Comfort Pups to keep as a reminder that they are loved and never alone.

Sometimes, the most meaningful moments happen when we least expect them. We may have a destination in mind, but God often has other plans along the way.

Sponsor a Comfort Pup!

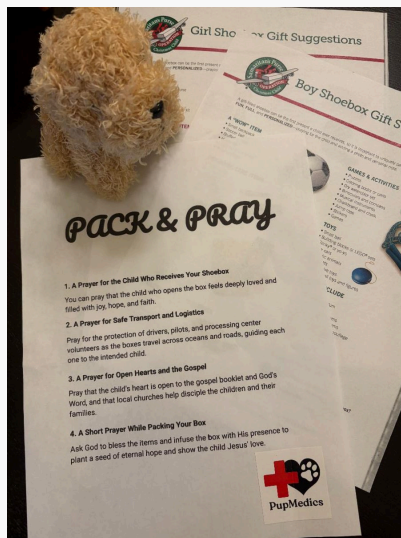

Operation Christmas Child

For many years, we have been involved with Samaritan's Purse Operation Christmas Child, packing shoeboxes filled with gifts for children in need around the world.

This year, PupMedics sponsored a community packing party, bringing residents together to donate items and fill each box with special surprises—including a little “Dunkin” plush dog!

We packed ten shoeboxes, and with so many generous donations left over, we had plenty of supplies to pack even more boxes at my local church.

What a blessing to share a little joy, love, and the Gospel of Jesus Christ with children around the world!

Serving with The Salvation Army

Our daily training and weekly visits help prepare us for disaster response.

This month, we received the call from The Salvation Army to serve in Panama City Beach, Florida, following Hurricane Isaias.

We spent seven days in the area, providing emotional and spiritual care to those God placed in our path. Whether through a listening ear, a comforting presence, or a little golden-dog love, we were blessed to be there for those who needed encouragement and support.

Stay tuned! A special edition of the PupMedics Impact Report is coming soon, sharing stories of God's faithfulness and the ways He cared for this community through the storm and its aftermath.

Help us keep serving

We couldn't do what we do without God's provision and the generosity of people like you!

Whether you sponsor a Comfort Pup to bring hope and comfort to someone in need or help cover fuel costs for our monthly trips to Birmingham to visit hospital patients and staff, every gift makes a difference. Your support helps us continue sharing the love of Jesus wherever He leads us.

Thank you for your generosity, prayers, and encouragement! Together, we can bring comfort, hope, and a little golden-dog joy to those who need it most.
